Collection foundation Gothenburg's general sports and community development

Name	Collection foundation Gothenburg's general sports and community development
Purpose	The foundation's purpose is primarily to provide support and development funds to sports and football clubs in Sweden, primarily Gothenburg. But also to develop sponsorship and work for sustainable social development with football and sports at the center. The foundation's hope is that those who receive support will be helped to strive to educate children and young people, with sports as a connecting tool where the foundation's purpose is to: Promote organizations, individuals, clubs and similar associations that make good initiatives for sports, primarily football, and against violence in sports. Promote the conditions for the practice of sports. Support children's and young people's upbringing, among other things, with regard to issues related to the equal value of people, work against bullying, racism and sexism or the like, as well as involving parents in the work of associations on these issues, especially focusing on outer areas in Gothenburg. Promote projects in accordance with purpose and objectives. Promote other foundations or funds for the same or similar purposes. Collaborate with other foundations within and outside Sweden. Run own projects that go according to purpose and purpose. The foundation is independent, party-political and religiously unbound.
