

Student Eligibility Report

Student Profile

Role: Individual

Name: Salman Farsi

Email: rosol11250@kinws.com

Gender: Male

Age: 27

Study Level: Bachelor Studies

Municipality: Älvkarleby

Purpose of Funding: I want to be studying in engineering related subject for my undergraduate program

Language: en

Subject: Engineering and Technology

Eligible Scholarships

Brixos stipendium

Name	Brixos stipendium
Municipality	Stockholm
Category	Studier
Purpose	The scholarship is SEK 10,000 and can be applied for if you are writing a bachelor's or master's thesis. The application must be received by 15 April and the scholarship will be awarded on 15 May. It is possible to apply annually.

The Society of Swedish Engineers in Great Britain

Name	The Society of Swedish Engineers in Great Britain
Purpose	The Society of Swedish Engineers in Great Britain is offering a unique scholarship opportunity for a young, motivated and driven Swedish engineer currently studying in the United Kingdom, either in industry or an academic institution. The Society has for a long time awarded scholarships with the intention of making it possible for Swedish engineers to visit the UK and study at British technology institutions. The scholarship is primarily intended for students who have recently graduated from a Swedish higher technical education and are interested in international technology development, management and marketing.
Study Level	research / Doctoral studies

Adnan Deumic Memorial Scholarship

Name	Adnan Deumic Memorial Scholarship
Purpose	Two students in the Master of Science in Industrial Economics program receive scholarships of SEK 50,000 each to conduct exchange studies. The exchange studies must last at least one semester. The scholarships go mainly to students with interest and good performance in financial mathematics.
Study Level	research / Doctoral studies
Municipality	Göteborg
Phone	031-772 1000
Main Address	Chalmers tekniska högskola
Postal Code	412 96

Valle Scholarship & Scandinavian Exchange Program

Name	Valle Scholarship & Scandinavian Exchange Program
------	---

Purpose	This exchange enriches students' educational experience through international perspective and experience in the fields of civil and environmental engineering, architecture, landscape design, urban planning, real estate, and construction management. The program is unique in that students are fully funded and receive a monthly stipend, tuition and travel to and from their destination.
Study Level	research / Doctoral studies
Main Address	University of Washington

Chalmersska Ingenjörsföreningen's local branch in Småland and Blekinge

Name	Chalmersska Ingenjörsföreningen's local branch in Småland and Blekinge
Purpose	The purpose of the scholarship is to draw attention to Småland and Blekinge and the need for civil engineers for industry and society in the region. The scholarship can be awarded to a technologist at Chalmers who completed his degree project of at least 30 points (Kollas) at a company or an activity in the local department's area, or if the degree project in some other way has connections with the region. The distribution takes place, if there are applicants and financial means, preferably once a year. Normally, the scholarship should be SEK 10,000, or whatever the board decides, and the scholarship recipient plus a partner is invited to one of the local branch's spring or autumn meetings, where the work is presented and the scholarship is handed over in solemn and festive ways.
